

RECESSED SHOPLIGHTER

This LED shop lighter replaces traditional 70w and 150w metal halide shoplighters, with much lower heat generated, low power and high lumen output, now with the redesigned housing, has a larger outer rim, stronger spring clamps making installation easier, makes this shoplighter the ideal replacement for traditional shop lighters.

Product Code	Voltage (V)	Wattage (W)	Power Factor	Luminous Flux (Lm)	Beam Angle	Cutout size (mm)	Colour temp	Dimmable
SLB15038CW	240V AC	38W	>0.85	2675	95	135x227	6000 (CW)	No
SLB15038NW	240V AC	38W	>0.85	2590	95	135x215	5000 (NW)	No
SLB15038WW	240V AC	38W	>0.85	2475	95	135x227	3200 (WW)	No

Note : Lights are available in silver or white finish

BEAM ANGLE 120 DEG		
Distance (M)	Avg/Max (lux)	Diameter (M)
1.7	428	3.59
2.7	169	5.70
3.7	90	7.81
4.7	56	9.92
5.7	38	12.04
